Accessories

Coat hook
with straight beam 800 mm
Item IS-9430

1 This set is a 'Starter module'. Build this first before adding/connecting the other modules in your display.

2 The door unit can be installed at any of the three positions in the module.

3 As with all fixed-beam modules, be sure to level the complete storage room module before adding your graphic panels.

4 When you are ready, you will have 2 set of corner trim left, this will be mounted in each end of the wall
