Mounting instructions

Accessories

1 This kit is a 'Starter module'.
800 mm from the adding/comp-
necting the other modules to the
display.

2 The door unit can be installed
at any of the three positions in
the module.

3 As with all fixed-beam modules,
be sure to level the complete
storage room module before adding
your graphic panels.

4 When you are ready, you will
have 2 set of corner trim left.
this will be mounted in each end of
the wall
